The East Coast Shellfish Growers Association is the voice of the shellfish farming community on the East Coast. Our industry consists of nearly 2,000 small farms from Maine to Florida and along the Gulf Coast that collectively produce over \$175 million each year in sustainably farmed shellfish.

We publish four, 20-page newsletter editions a year, and mail a paper copy to every dues-paying member inside a complimentary copy of Fish Farming News. Our membership includes:

- 210 shellfish growers/dealers
- 53 equipment suppliers/service providers
- 120 associate members

We also distribute nearly 350 paper copies of our newsletter through extension agents and equipment distributors located up and down the East and Gulf Coasts.

All published editions are also available as downloadable pdf files on our website, which enjoys an active readership well beyond our paying membership. In 2023 the [newsletter portal](#) got more than 1,650 page views. Online newsletters contain active links for websites, emails and social media references in all ads and news copy.

Equipment suppliers/service providers (\$250 membership fee) are entitled to a free business-card-sized ad in all four newsletters, as well as a listing on our [Members](#) webpage. Card print dimensions are: 2.96 in. wide x 1.8 in. high. The online listing contains logos and contact information for each member, with active links to websites and emails.

Any dues-paying member may purchase larger newsletter advertisements at the following rates:

- 1/6 page ad \$ 450/yr
- 1/3 page ad \$ 660/yr
- 2/3 page ad \$ 900/yr
- Full-page ad \$1,320/yr
